

24th February, 1952.

Mrs. Greta Knackhoff,
Präsident von Deutscher Notenbank,
Charlottenstrasse 33,
Berlin W.8, Germany.

Dear Mrs. Knackhoff,

Following the suggestion made by many members of the Initiating Committee, we have sent out direct invitations to a number of persons. For Germany we have already despatched invitations to the persons indicated on the enclosed list. With regard to a number of persons we need the correct addresses and titles. In particular we shall appreciate it very much if you can furnish us with the title which should be used in the invitation which we intend to send to General Knackhoff's firm. - DOK
We also have on our list of names Mr. Edgar Michael, head of a grain and fodder importing firm in Hamburg. Could you find out his exact address?

We may ask you for more addresses in a few days.

Enclosed you will find a printed copy of the communique as well as a copy of the Programme of Working Groups. The Programme of Working Groups is, of course, subject to possible change by the Conference which is the master of its agenda and procedure.

You will be interested to know that we are beginning to meet with some success in the U.S.A. The presence of about six persons is already assured. Among them is Mr. Oppenheimer of Freed A. Oppenheimer Inc. of Los Angeles and New York. Mr. Lutz also reports that the State Department has agreed to give passports to participants in the Conference.

We are very eager to see your bulletin. I think the quickest way to send it is by Air Mail.

With best regards.

Yours sincerely,

Encls. 3.

ROBERT CHAMBERLAIN
General Secretary.
